To Whom it Concerns,

Dear Kind People,

We have downsized our business and are not legal professionals.

We have reached out to the Board attorney as well as other USPTO personnel to best respond to the inquiry in a timely and responsible fashion.

Unfortunately we haven't had the opportunity to reach everyone and conclude our response at this point.

We are waiting on essential supporting documents to show how we will use the mark. We expect to have that by October 18<sup>th</sup>.

If not inappropriate to ask, we respectfully request an extension until at least October 22<sup>nd</sup> to file our response.

We also would sincerely appreciate the opportunity to speak with Interlocutory Attorney:  
ELIZABETH WINTER

Thank you,
